Supplier will comply with the health screening requirements set forth below, as applicable.

A. **Definitions:**

“**Customer**” means a Kaiser Permanente entity purchasing goods or services from Supplier.

“**Healthcare worker**” means a contractor or employee of Supplier if one or more of the following criteria are met:

1. The individual has duties that require a regular presence (50% or more of work time) in a Medical Center or Medical Office Building (e.g. a building in which in-person patient care is provided); or
2. The individual has direct contact with patients and/or patient specimens.

“**Non-Healthcare worker**” means a contractor or employee of Supplier who is working in a Medical Center or Medical Office Building (e.g. a building in which in-person patient care is provided) in areas or under conditions that place him or her at low risk for transmission of infectious diseases. Examples include: (i) a vendor who provides products for use or resale outside of patient care areas; and (ii) a construction worker in a vacant suite inside a Medical Office Building.

“**Kaiser Permanente**” or “**KP**” means the integrated health care delivery organization doing business as Kaiser Permanente, which includes Kaiser Foundation Hospitals, Kaiser Foundation Health Plan, Inc., Kaiser Permanente Insurance Company, The Permanente Federation, the Permanente Medical Groups, and the subsidiaries, partners and successors of the foregoing.

“**Supplier**” means a vendor, contractor or supplier who is providing goods or services to a Customer.

B. **Requirements.** Supplier must ensure that each of Supplier’s personnel who meets the definition of a “Healthcare worker” has met the requirements set forth in the Health Screening Checklists attached below.

C. **Modifications.** The health screening requirements set forth herein are subject to change by Customer from time to time to reflect changes in Customer’s health screening requirements for its employees. These requirements shall not be construed to require any violation of federal or state law or collective bargaining agreements.
